We are very appreciative of the participation of the guest speakers in the EMBA events that includes Gerald Chan, Franklin Lam, Richard Lancaster, Kazutada Kobayashi, Leonie Ki, Regina Ip, Edward Monser and Stephen Lam.

The speeches of the above guests and most of the Q&A are compiled in this book. We extend our deepest gratitude to these distinguished speakers for their generosity in sharing with us their strategies, wisdom and how they turned around challenges into opportunities in business chaos.

Without the support of the following staff of EMBA Program, the EMBA events could not be successful: Jean Yuen, Zoey Li, Sim Kwong, Vicky Li, Daryl Law, Grace Chan, Fanny Kwong, Annie Chung, Mao Kun and Ricky Yuen.

Same as our other activities, we are much grateful for the sponsorship from “A Better Tomorrow” for this academic event.

Finally, we would also like to thank Mr. Lo Kwok-hung of Infolink Publishing Ltd. for his help in the publishing of this book.

Surging into the Future: Forward-looking, Socially Caring Pioneers

The EMBA Forum is one of the major activities of EMBA Program of The Chinese University of Hong Kong where to share their valuable experiences, insights and wisdoms with EMBA alumni and other forum participants.

Eight speeches of the invited guests are compiled in this book:

- Dr. Gerald Chan (Chairman of Morningside Group)
- Mr. Franklin Lam (Founder of HKGolden50)
- Mr. Richard Lancaster (Managing Director of CLP Power Hong Kong Ltd.)
- Mr. Kazutada Kobayashi (President & CEO of Canon India Pvt. Ltd.)
- Ms. Leonie Ki Man-fung, SBS, JP (Managing Director of New World China Enterprises Projects Limited)
- Mrs. Regina Ip, GBS, JP (Chairperson of Board of Governors of Savantas Policy Institute Ltd.)
- Mr. Edward L. Monser (President and Chief Operating Officer of Emerson)
- Mr. Stephen Lam Sui-lung, GBS, JP (Former Chief Secretary for Administration, HKSARG)

This compilation demonstrates positive attitudes and creative thinking of the above highly-regarded leaders in Hong Kong. Inspiring and thought-provoking issues are also discussed that readers, especially executives today and leaders tomorrow, would find this book helpful in enabling them to excel in the intensely competitive and changing world.
